

Rake, Rattle, and Roll Registration Form

Thank you for signing-up for this year's Rake, Rattle and Roll. The contribution of your time and community spirit will help local seniors continue to live independently in their own homes. Once we receive your registration, your group will be matched with seniors living in the same area. Then on raking day, your group will help them by raking and tidying their yards.

Please note: Your group will need to bring your own rakes and extra yard bags. Most homeowners will supply the bags, but some are homebound and unable to provide their own.
